

# *The Call for the Accountancy Profession in Africa and Malawi*

**for ICAM's Annual Conference  
14-16 September 2023**

---

Presentation by:

Evelyn Mwapasa Phiri

Director of Effective Professional Accountancy Organisations at PAFA

*‘Careers, relationships and communities are examples of what scientists call open systems – they are constantly in a flux because they are not closed off from the environments around them.’*

THINK AGAIN by Adam Grant

**ICAM** is the professional accountancy organization in Malawi.  
It has around 3,000 members

## Vision

A chartered accountant **in every organization in Malawi.**

## Mission

Promote the development of the accountancy profession in Malawi through the provision of globally recognized qualification and training and advocate for issues of public interests **for the benefits of students, members, government and others.**

is the regional organisation for the accountancy profession in Africa.

It comprises 56 member organisations in 45 countries.

## Vision

Sustainable value creation **to benefit the citizens of Africa.**

## Mission

To strengthen the capacity and influence of the accountancy profession in Africa **to enhance trade, the quality of services, and trust in institutions.**

... *Contributing to the AU Agenda 2063*

1. **A prosperous Africa based on inclusive growth and sustainable development**
2. An integrated continent politically united and based on the ideals of Pan-Africanism and the vision of African Renaissance
3. **An Africa of good governance**, democracy, respect for human rights, justice and the rule of law
4. A peaceful and secure Africa
5. **Africa with** a strong cultural identity common heritage, values and **ethics**
6. **An Africa whose development is people-driven**, relying on the potential offered by the African people, especially its women and youth, and caring for children
7. **An Africa as a strong, united, resilient and influential global player and partner**

... *Contributing to the UN Sustainable Development Goals*

## December 2022 Call

***For PAOs in Africa to adopt strategies that support professional accountants for people, planet, and prosperity***

## 5 Areas

- Leading sustainability reporting and assurance
- Strengthening governance, transparency and accountability in the public sector
- Enhancing the quality of accountancy services
- Realising Africa's growth objectives through the AfCFTA
- Fighting corruption and economic crimes

**Reset. Reignite. Refocus.**

Thank you!
